Abstract

Summary of the entire report

1   Section title

This is the introduction section

1.1   Subsection

2 Domain description

This is the domain description section

2.1 Subsection

3 Problem definition

This is the problem definition section

3.1 Subsection

4 Literature review

This is the literature review section

4.1 Subsection

5 Dataset description

This is the dataset description section

5.1 Subsection

6 Dataset pre-processing

This is the dataset pre-processing section

6.1 Subsection

7 Experiments

This is the experiments (three DM techniques) section

7.1 Subsection

8 Analysis, Results and Conclusions

This is the dataset Analysis, Results and Conclusions section

8.1 Subsection

9 References

This is the references section

9.1 Subsection
